

# Top of the Wolds 10km Challenge

## Sunday 2nd June 2019

Dear Runner,

Welcome to the third outing of the “Top of the Wolds 10km Challenge” we hope you enjoy the day, as well as the route. Yorkshire Wolds Runners was formed in 2010, and are now an established East Yorkshire club attending many events. By staging this race, we hope to display the fantastic countryside of the Yorkshire Wolds, and cement the race for future years, with what we hope will be a positive outcome from the running community.

Enjoy the day, and don't forget to look at the scenery.

### Sponsors

Without the support of the local business community, staging such an event would become that much harder for our club. We wish to acknowledge the contribution of the companies, and individuals who have generously donated to help get this project off the ground.

### **TIMING CHIPS.**

We are using re-usable timing chips. **These are to be handed back after the race.** The chip is attached with a wire tie. The envelope that we prepare for each runner contains the chip, the wire tie, the race number and 4 safety pins. Please collect your number and chip from Registration on the day
